Sale of Sub-Standard Medicines/Drugs by Super Bazar

990. SHRI IQBAL SINGH: Will the PRIME MINISTER be please to state:

(a) whether Government's attention has been drawn to the news-item Published in the 'Indian Express' dated the 24th June, 1997 under the caption "Super Bazar bill, difficult to swallow" indicating that quality of drugs/medicines is sub-standard and their rates are highly inflated as compared to those of private chemists;

(b) if so, the details thereof, alongwith the reasons therefor; and

(c) the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RENUKA CHOWDHURY): (a) to (c) Yes Sir. The investigations carried out by Drugs Control Administration of Government of National Capital Territory of Delhi revealed as under:—

(i) Random checking of the cash memos of the sale prices of various drugs charged by the Super Bazar from the consumers under Drugs Price Control Order did not reveal any case of over-charging from the consumers.

(ii) Enquires made on the comparable prices charged by Super Bazar and Private Chemists and Druggists on a particular category of drug revealed that the prices did not go beyond the 'Maximum Retail Price' as printed on the lable of the products and hence as such there was no violation of DPC order.

(iii) To check the quality of drugs available in Super Bazar, 8 samples of different drugs were taken for test or analysis on 21.7.97. Based on the results of analysis, step would be initiated as per the provisions of Drugs and Cosmetics Act, 1940 and Rules thereunder.
